ACADEMIC YEAR 2017-2018

NOTES:

- * Books are sorted by Department and then by Course Reference Number. Course Reference Numbers are found on your course list sheet.
- * Books listed in **RED** are provided by RI towns/cities to their residents, but they must be requested by the student/family directly through the town/city of residence. For students residing in Pawtucket, Providence or East Providence: books listed in **RED** will be acquired for you in hard-copy format by Saint Raphael Academy and given to you prior to the start of class. If you prefer to have an e-book version of the state-provided books, you may purchase them
- * Books listed in **BLACK** must be acquired either in a hard-copy or e-book format (making sure to obtain the correct publisher and edition) by you. Students may find that some books are free to download and are encouraged to research both hard-copy and e-book options. You may purchase these books through <http://www.bkstr.com/fvcstore/home> (available after July 11) or another book provider (with the exception of foreign language books - see below).
- * Foreign language books listed in **BLACK** must be purchased through the <http://www.bkstr.com/fvcstore/home> website to ensure students have the special bundle customized for Saint Raphael Academy. The digital package is required and must be purchased.
- * Many classes have more than one book required for the course. Students must obtain all of the required books for each of their courses.
