WE APPRECIATE THE DEEP COMMITMENT SHOWN TO THE MISSION OF SAINT RAPHAEL ACADEMY BY BISHOP RICHARD HENNING AND THE DIOCESE OF PROVIDENCE, THROUGH THEIR SPIRITUAL, ADMINISTRATIVE, AND FINANCIAL SUPPORT OF OUR SCHOOL AND OUR STUDENTS.

SAINT RAPHAEL ACADEMY SCHOOL MISSION STATEMENT

Saint Raphael Academy is a Catholic, college preparatory school rooted in the Gospel of Jesus Christ. Founded in the tradition of Saint John Baptist de La Salle, we provide a comprehensive secondary education to students from diverse backgrounds and prepare them for a life dedicated to learning, leadership, and service.

I hope this letter finds you in good health and high spirits as we begin another school year on Walcott Street. It brings me immense pleasure to connect with you once again as we reflect on the incredible journey and achievements of Saint Raphael Academy over the past year. As a proud alumnus of Saint Raphael Academy, you are a huge part of our vibrant community, and your support has been instrumental in shaping the school into what it is today. Your shared memories, values, and experiences, continue to inspire me and all the current Saints on our campus. This past year has been one for the ages; let me mention several of the highlights.

Last year was a tremendous campaign for our athletic teams! Our student-athletes won an amazing eight state championships. I am not sure if this has ever happened on Walcott Street. Based on our wonderful athletic performance, coupled with the character of our students, the Rhode Island Interscholastic Athletic Administrators Association (RIAAAA) chose Saint Raphael Academy as the School of the Year! Individually, we also had several SRA athletes stand out among their peers. Two of them were awarded Gatorade Players of the Year in their particular sport: Moses Meus in football and Devan Kipyego in boys cross country (for the third time). A celebrated runner, Devan was the national champion in the steeplechase as a junior and won the National Championship in the boys mile as a senior. Devan finished his Saints career with a total of five All-American honors in cross country and track. Wow!

The Class of 2023 was one of my favorite classes during my tenure; their academic performance as a group was impressive. One member of that class is now attending Harvard and another is attending Brown University. The remaining members of that class are going to many of the best colleges and universities throughout the country. With a little over 100 graduates, this amazing group of Saints garnered more than \$30 million collectively in college scholarships!

During the summer, the administrative team stayed busy planning for the upcoming school year. As during every summer break, we spent time (and money) beautifying

the SRA campus. Our two big projects were replacing the carpets and painting all the offices in both the McHale and the White Buildings. These buildings are some of the oldest buildings on our campus and they needed a little extra attention. In addition, a new College and Career Center was created in the White Building, designed specifically for students to research college options and to host college recruiters who visit us every fall. The new space on the first floor is beautiful and mirrors the color motif of the Mills Family Student Center upstairs. The other project we worked on this summer was the planning for the 100th anniversary of Saint Raphael Academy. We have big plans for next year and they will kick off in September 2024. More exact details to follow.

As we look to the future, we recognize the importance of continued support from our cherished alumni. Your generosity has allowed us to maintain our tradition of excellence in education, providing scholarships, resources, and opportunities to deserving students. Today, we humbly ask for your support through our Annual Appeal. Your contribution, no matter the size, will make a significant difference in the lives of our students. Your gift will directly support scholarships, academic programs, extracurricular activities, and facility enhancements, ensuring that future generations of Saint Raphael Academy students benefit from the same exceptional education you received.

To make your contribution, please visit our website at www.saintrays.org/give or use the enclosed donation envelope. Your support is a testament to the enduring bond between our alumni and Saint Raphael Academy, and we are immensely grateful for your continued commitment. Thank you for being an integral part of our Saints family. I know for me personally; you continue to inspire and motivate me to be the best I can be as the Head of School at Saint Raphael Academy. I look forward to hearing from you and hope to see you at our upcoming alumni events.

Wishing you and your loved ones continued blessings and success.

In Peace,

Dan Richard
Head of School

Once A Saint, Always A Saint

Alumni teachers returning to teach at their high school bring a unique and valuable perspective to their work and students. Their deep connection to the school, its traditions, and its community allows them to establish meaningful relationships with students and colleagues. They serve as examples of the school's success, inspiring current students to pursue their own dreams and goals. Additionally, alumni teachers possess a deep understanding of the school's culture and help maintain and build upon its strengths, making their return a mutually beneficial experience for both the teachers and the school and instilling Saints Pride into our current students.

Saints is fortunate to have 12 alumni on campus as part of our faculty and staff. Their dedication, passion, and commitment to "their" school and students are part of what makes Saints such a special place.

Thank you to all our proud Saints alumni for all you do for our school!

On a beautiful, sunny Monday in May at Pawtucket Country Club, we welcomed over 200 Saints golfers and friends to join us for a great day of golf at our 32nd Annual Saints Alumni & Friends Golf Tournament. The tournament was another sell-out, and we are thankful for this year's tournament sponsor, Mr. Kevin Donahue '71, for his continued support of Saints and our students.

THE YEAR OF THE CHAMPIONS

The 2022/2023 year was truly "The Year of The Champions" at Saints as our teams dominated the competition, clinching an impressive eight state championships in both girls' and boys' athletics. From the excitement of a last-minute Super Bowl victory, to the unprecedented 5-Time State Game Day Cheerleading Champions, to action packed championships on the soccer field, to the swift strokes in the pool for both our boys and girls swim teams, and to our boys runners who captured the Triple Crown of State Class C Champions in Cross Country, Indoor, and Outdoor Track, Saints showcased their dedication, skill, and teamwork throughout the year. Saint Raphael Academy athletes etched their names into the archives of Saints sports history and solidified their reputation in Rhode Island Interscholastic League

athletics. The eight state championships stand not only as a testament to the academy's athletic commitment to excellence but also as a source of pride for the entire Saints community, celebrating a remarkable year of success.

Saints athletes also shined on an individual level as both Moses Meus (Football Super Bowl MVP and Providence Journal Defensive Player of The Year) and Devan Kipyego (Providence Journal Male Athlete of The Year, Cross Country, and Track & Field) received Gatorade Player of The Year awards for their dominance. Devan was also crowned the Outdoor Mile National Champion and winner of the New England Championship as well. Truly outstanding individual performances by Moses and Devan.

Saint Raphael Academy was also honored to be recognized by the Rhode Island Interscholastic Athletic Administrators' Association with three distinguished awards. Saints was named "School of the Year," Principal Dan Richard was named Administrator of the Year, and the legendary Tom "Saar" Sorrentine was recognized with a Lifetime Achievement Award. It was the first time any school received these three significant awards in the same year. Congratulations to our athletes, coaches, administrators, athletic director, and the one and only "Saar" on such a great accomplishment.

1st Annual SRA Alumni & Friends 5K Run/Walk

On Sunday, June 12th, 2022, in beautiful Slater Park in Pawtucket, the streets were filled with close to 200 runners and walkers that came out to support our 1st Annual Alumni & Friends 5K Run/Walk.

It was a perfect day for our runners and walkers that saw many alumni, some in their former Saints running uniforms, enjoying a competitive run and leisurely stroll through the park, all to benefit the students of Saint Raphael Academy. Our very own National Champion, Devan Kipyego, took 1st place overall in the male division and was joined by both our girls and boys running teams sporting their purple and gold proudly along with our alumni family and friends of Saints.

Thank you to all our alumni family and friends for helping sponsor this event, taking part in our class challenge, or participating in this and all our alumni events. All of us at Saint Raphael Academy appreciate all you do for our students!

Together, WE ARE SAINTS STRONG!

Make a Gift Tax-Free With an IRA

A Tax-Saving Way to Help Saint Raphael Academy

Make a difference today and save on taxes. It's possible when you support Saint Raphael Academy through your IRA.

A Special Opportunity for Those 70½ Years Old and Older

You can give any amount (up to a maximum of \$100,000) per year from your IRA directly to a qualified charity such as Saint Raphael Academy without having to pay income taxes on the money. Gifts of any value \$100,000 or less are eligible for this benefit and you can feel good knowing that you are making a difference at Saints. This popular gift option is commonly called the IRA charitable rollover, but you may also see it referred to as a qualified charitable distribution, or QCD for short.

Why Consider This Gift?

Your gift will have an immediate impact at Saints, allowing you to see the difference your donation is making to the school and our students. Beginning in the year you turn 73, you can use your gift to satisfy all or part of your required minimum distribution (RMD). You pay no income taxes on the gift. The transfer generates neither taxable income nor a tax deduction, so you benefit even if you do not itemize your deductions. Since the gift doesn't count as income, it can reduce your annual income level. This may help lower your Medicare premiums and decrease the amount of Social Security that is subject to tax.

For Those 59½ Years Old or Older

If you're at least 59½ years old, you can take a distribution and then make a gift from your IRA without penalty. If you itemize your deductions, you can take a charitable deduction for the amount of your gift.

At Any Age

No matter your age, you can designate Saint Raphael Academy as the beneficiary of all or a percentage of your IRA and it will pass to us tax-free after your lifetime. It's simple, just requiring that you contact your IRA administrator for a change-of-beneficiary form or download a form from your provider's website.

Important Note: Many popular retirement plan administrators assume no obligation to notify a charity of your designation. We encourage you to reach out to us as we would love to talk to you about your intentions to ensure that they are followed. You can also make us aware of your plan by going to www.saintrays.org/give/planned-giving and providing your Donor Information.

Saint Raphael Academy is extremely fortunate to have tremendously generous alumni, families, and friends, that support our school and our students in many ways. These gifts allow us to benefit from the generous spirit and philanthropic endeavors of our donors that have significantly enriched the Saint Raphael Academy community. Driven by a profound sense of gratitude and commitment to their alma mater, our alumni have consistently given back to ensure that current and future students have access to the same enriching opportunities that they had during their time at Saints. Their generosity fosters a culture of giving that enhances the academic, extracurricular, and overall educational experience for our students. Through scholarships, facility enhancements, and program sponsorships, supporters of Saints play a pivotal role in shaping the institution's continued success. Your support serves as a testament to the enduring bond between Saint Raphael Academy, its alumni, families, and community, creating a legacy of giving reflecting a desire to preserve the Saints legacy and empowering the next generation of leaders.

Beneficiary Designations

A beneficiary designation is an easy alternative to making a gift through a will or estate. This option offers you increased flexibility by using IRAs and Retirement Plans, Life Insurance Policies, Donor Advised Funds, and Commercial Annuities.

Donor Advised Fund - Leverage Your Fund for the Long Term

A donor advised fund (DAF), which is like a charitable savings account, gives you the flexibility to recommend how much and how often money is granted to Saint Raphael Academy. You can recommend a grant or recurring grants now to make an immediate impact or use your fund as a tool for future charitable gifts.

Planned Gifts

A planned gift can provide for the future of Saint Raphael Academy while helping you achieve your financial goals. There are a variety of options offering numerous benefits. Making a Planned Gift to Saints automatically enrolls you in the Saint Raphael Society upon notifying the school of your gift intentions. Some of the most popular options are including Saints in your will or designating Saints as a beneficiary in your retirement plans or life insurance.

Endowed Gifts - A Gift That Can Last Forever

An endowment gift to Saint Raphael Academy today helps ensure a brighter picture for our future, **Forever**. Your gift creates a fund to be invested on behalf of Saint Raphael Academy. As the investment grows so does the benefit to the school. A portion of the annual income from the investment is used to address immediate needs and the remaining funds are reinvested to ensure indefinite support. You can choose to name the fund for your family, yourself, or someone at Saints who made a difference for you. Endowed gifts provide a permanent source of funding for our school and our students, that make a difference year after year.

Matching Gifts

If you or your spouse work for one of the many companies that offer matching gifts, your philanthropy can have greater impact. You will be recognized for the full amount of your gift, plus any resulting match. Inquire with your employer if they provide matching gifts. The process is normally very easy and is a simple way to compound the benefit of your gift to Saints at no cost to you.

Gifts of Securities

Gifts of securities such as stocks, mutual fund shares, or other appreciated assets can be a tax-efficient method for making a gift to Saint Raphael Academy. In most instances, you can take a tax deduction for the full market value of a gift of securities and avoid any capital gains tax.

Memorials and Tribute Gifts

If you have a loved one who has been impacted by Saints, establishing a memorial or tribute gift is a wonderful way to honor your loved one and Saint Raphael Academy at the same time. Your gift will be a lasting tribute to your loved one and make a difference in the lives of our students.

United Way

Did you know that you can designate Saint Raphael Academy as the beneficiary of your United Way gifts? United Way brings people together to build strong, equitable communities where everyone can thrive. Your support allows Saints to continue to deliver our educational mission to all current and future students that desire a Saints education.

During the past decade, Saints has grown in so many wonderful ways. We built a beautiful new theater, remodeled both academic buildings, updated two wonderful cafeterias, built a new student center, and purchased a new building (193 Walcott Street, the former Christian Brothers' residence). Additionally, we concluded the most successful capital campaign in the history of Saint Raphael Academy. A large portion of the campaign

will be used to start a multi-million-dollar endowment to insure the future economic viability of the school. The Saints alumni family made these dreams into a reality.

The Academy is very excited to announce the formation of **The Saint Raphael Society**. This Society celebrates alumni, parents, and friends who wish to support Saint Raphael Academy through an estate provision, beneficiary designation, or life income gift. There is no minimum requirement. Through your gift, you become part of a distinguished group of individuals dedicated to preserving and enhancing the quality of education at Saints. Today's **Saint Raphael Society** members have a passion for the Academy and are willing to make commitments that will benefit Saints for many generations to come and create their own legacy at Saint Raphael Academy. We are grateful for all our alumni and want to honor and recognize the following individuals who have made us aware of their planned giving intentions and, as a result, are now members of **The Saint Raphael Society**.

SAINT RAPHAEL ACADEMY 2024 HALL OF FAME INDUCTEES

Saint Raphael Academy is proud to announce our third class of inductees into the Saint Raphael Academy Alumni Hall of Fame. This outstanding group of men and women will join the 16 members currently in our Hall of Fame inducted during our first two ceremonies. This year's class have given tirelessly and generously to the school and are shining examples of the values taught here at Saints of Faith, Service, and Community. Saints is fortunate to have such a fantastic group of individuals as part of our alumni family and we appreciate everything they do for our school and our students.

This terrific class will be officially enshrined at our 3rd Hall of Fame Ceremony, on Saturday night, April 6, 2024, at Alpine Country Club in Cranston, Rhode Island.

Please contact Ron Dalton at rdalton@saintrays.org or call 401-723-8100 x 120 for information on how you can join us at the event or become a sponsor of the event, honoring this wonderful class.

SAINTS REUNIONS: A Year of Reconnection and Celebration!

The 2022/2023 fiscal year marked a wonderful return to in-person class reunions at Saints! We welcomed back the classes of 1972, 1997, and 2002 on campus and off-site, for evenings of friendship and reminiscing of their time here at Saint Raphael Academy. Campus tours added an extra touch of nostalgia, roaming the halls, telling stories, admiring senior photos and yearbooks, and seeing all the new improvements on campus.

Looking ahead to Fiscal Year 23/24, we are excited to work with the classes of 1973, 1983, 1993, 2003, 2008, 2012, and 2013, planning their reunions. The alumni office is dedicated to helping facilitate these reunions, and making sure each event is as special as the bonds formed during your purple & "golden" years!

The alumni office is looking forward to assisting all classes ending in 4 and 9 to help plan their event. For those who would like to take an active role in planning their class reunion, please reach out to Mel Colvin-Johnson at mcolvin@saintrays.org. Let's make the upcoming years a testament to the spirit of Saints Pride and the connections that stand the test of time.

CAPITAL CAMPAIGN

Our capital campaign, "The Next 100 Years," has been an overwhelming success. The original goal of the campaign was to raise \$5,000,000. Due to the amazing generosity of our alumni and supporters of Saint Raphael Academy, the amount raised is an astounding \$5,200,000, far exceeding my expectations, and continuing to grow. More importantly, we're pleased to announce that this spring, the West Building was renamed the Walker Family Building in recognition of the gracious gift that Chuck Walker '64 and his family made toward the capital campaign. Most of the funds raised in the campaign will be used for financial aid for our current students and endowment funding to financially support future SRA students. Even though the campaign is officially over, our first 100 years are not, and we are still accepting gifts. If you would like to help by making a one-time donation to either financial aid or our endowment you can do so by using the following address: www.saintrays.org/give/the-next-100-years-capital-campaign/ or by searching for "capital campaign" on the Saint Raphael Academy new website. You can also choose to make a pledge to the school and spread your donation over multiple years.
